

HOMES for UKRAINE

www.coej.org/home4ukraine

Following the Government's welcome announcement of the Homes for Ukraine scheme, CoEJ is ready to assist this effort.

Can you offer accomodation?

If you have a residential spare room or separate self-contained accommodation that is unoccupied then please come forward. The accommodation must be available for at least six months, fit for people to live in, and suitable for the number of people to be accommodated

Do I need to provide meals or just accommodation?

Just accommodation. There is nothing stopping sponsors offering meals should they wish to. You will not be expected to cover the costs of food and living expenses (although you may wish to offer this).

As a "Thank You", the government will offer a payment of £350/month to the Host
